

YOU ARE WELCOME AT LOFI

Lofi is a place for nightculture and stands for an open and inclusive dance floor. We welcome everyone who adheres to our House rules and Terms & Conditions.

- Lofi has a zero tolerance policy to any form of discrimination – including but not limited to – xenophobia, homophobia, transphobia, racism, sexism, colourism, ageism, and/or any form of hate, any form of violent behaviour, and/or any form of harassment – including but not limited to sexual, verbal, emotional and/or physical harassment. Any activity of this nature will lead to eviction, and a potential ban, from Lofi.
- Lofi holds the right, at all times, to deny entry to anyone, whether in possession of a presale ticket or not. Grounds for denied entry may include – but are not limited to – a visible state of intoxication, a disrespectful and/or violent attitude towards any of our staff, a lack of knowledge regarding the programme, attempting entry to the club in a large group, formal or inappropriate/offensive attire.
- Access denied? Your Eventix ticket will be refunded immediately at the door. Have a Ticketswap ticket? Please resell it on Ticketswap as we are unable to provide refunds for these. Allowed access and ticket scanned? If you are subsequently ejected, please note that you are not entitled to a ticket reimbursement.
- Lofi is for grown-ups. The minimum age is 18 years. You must always be able to show a valid ID on request. However, some events require a minimum age of 21 years. Make sure to always double check the minimum age on our website.
- Carrying something in your bag that jeopardizes the safety in our club? In case of your own safety, we can always have someone search you and your (hand) bags and/or require the use of a detection gate.
- We like to capture the beautiful moments on our dancefloor. By entering the location you agree to the making, publication and reproduction of these images by Lofi and/or promoters and media partners. It is prohibited to bring or use professional photo-, film-, drone-, sound- and/or other recording equipment.
- Leave behind glassware, plastic bottles, cans, fireworks, drugs, laughing gas, (fire) weapons, and any other risky items. Food, (alcoholic) drinks, and (pets) animals should also stay home.
- Using your flashlight can disturb others, therefore we cover it up. If we cover your entire camera with a sticker, it means that we have a strict no-camera policy. Taking photos or videos is prohibited during these events. Anyone that violates that policy may be asked to leave.
- We do not tolerate offensive behaviour like threats, assault, theft, discrimination, sexual harassment and other nuisance.
- It is not allowed to wear football shirts, motorcycle club clothing and other clothing with group-specific texts, discriminatory and/or otherwise offensive clothing.
- You are at a Lofi event, please do not share any promotional material (samples/flyers, etc.) without written permission.
- Security cameras are installed in various places to ensure the safety of our staff and visitors.
